Experience

Oct 2018 to
July 2022

Brilliant Skin Essentials
Senior Graphic Designer

- I was responsible for creating packaging designs, designing digital content for posting, editing videos for ads, assisting suppliers with packaging sizing, suggesting marketing ideas to the CEO and marketing team, and checking the artwork of other designers.

July 2022 to
May 2023

Jujuglow Cosmetic
Creative Director

- I was involved in creating packaging designs, assisting the marketing team with ad concepts, providing assets for social media postings, negotiating with suppliers for cosmetic products, checking artwork created by other designers, and proposing new ideas to the CEO and team.

May 2023 to
Present

Acstream Inc.
Web /Graphic Designer

- In my previous role, I developed promotional websites using HTML, Wix, and WordPress, designed banners for online games, supported Taiwan marketing initiatives for digital projects, created GIFs, banners, and other graphic design collaterals, and collaborated with teams to generate new ideas.
